Bandung, West Java

I'm a final year International ICT Business student at Telkom University, passionate about finance, management, and business transformation. With hands on experience in project management, market research, and cross functional collaboration, I excel at driving operational efficiency and delivering impactful business strategies. Through internships and academic projects, I have honed skills in data analysis, communication, and continuous improvement, always striving for excellence and integrity in every opportunity.

Education Level

Telkom University - Bandung

Aug 2022 - Aug 2026 (Expected)

Bachelor of Management, 3.73/4.00

- Relevant Coursework: Financial Management, Human Resource Management, Marketing Management, Entrepreneurship, Accounting

Work Experiences

PT PLN (Persero) - Surakarta

Jul 2025 - Sep 2025

Internship - Supply Chain & Inventory Management

- During my internship, I actively contributed to enhancing warehouse operations by supporting end to end material inventory management, from recording and classification to monitoring and control. I successfully developed and implemented a digital reporting system using Google Forms and Google Sheets, which replaced manual record-keeping and significantly improved efficiency and accuracy in data input.

PT PLN Indonesia Power - Surakarta

Jul 2025 - Present

Internship - Market Research Intern

- In addition, I was involved in analyzing inventory security issues and provided recommendations to strengthen loss prevention measures. I also played a key role in optimizing the return process by identifying bottlenecks and proposing practical solutions that streamlined workflows. These contributions not only supported daily operational needs but also left a measurable impact on the warehouse's efficiency and reliability.

Edelweis Hospital - Indonesia

Dec 2024 - Jan 2025

Finance & CEO Office Intern

- Assisted the finance department with data analysis, budget tracking, and financial reporting
- Supported the CEO Office in project coordination, meeting preparation, and communication tasks
- Contributed to improving operational efficiency by organizing internal documentation and streamlining processes
- Engaged in cross-functional collaboration to enhance the hospital's overall business strategies

Mitra 24 Offset (Internship) - Surakarta

Jul 2023 - Aug 2023

Business Process Intern

- Designed and documented business processes to support internal workflow standardization
- Developed Standard Operating Procedures (SOPs) for multiple departments to enhance operational efficiency
- Collaborated with team leads to ensure alignment between SOPs and actual practice.

Teaching Internship - Surakarta

Aug 2021

Kindergarten Teacher

- Teaching kindergarten children at Al Faruq Kindergarten under the Akhlak Mulia Surakarta (Ams) foundation with an age range of 4-7 years for one month
- Creating lesson plans
- Facilitating learning activities
- Maintain weekly communication with parents to provide updates on student's progress, share information about classroom activities and events, and discuss any concerns or questions

Organisational Experience

SOCEP Local Project 2024 by AIECEC Bandung - Bandung

Jul 2024

Best Delegates

- Awarded Best Delegate at the SOCEP (Social Entrepreneur) Local Project 2024
- Participated in a comprehensive internship, a competitive business plan presentation, and the School Career Carnival
- Demonstrated leadership and innovation in creating a standout business plan
- Engaged effectively with students and professionals to promote career development and community engagement

Master of Ceremony & Staff Public Relation

- Set the tone and maintained the schedule during events involving elementary school students
- Engaged the audience and facilitated smooth event flow as Master of Ceremony
- Created and managed a sign language learning community
- Acted as media liaison and handled internal/external communication
- Supported sign language learning sessions and interpreted between spoken and sign language

LKKD BEM FEB (Latihan Kepemimpinan dan Keorganisasian Dasar) - Telkom University, Bandung

Sep 2023

Staff of Public Relations

- Created broadcast messages, Instagram photo captions, and acted as a contact person for participants
- Served as media relations and facilitated both internal and external communication
- Acted as a moderator during events, guiding discussions and ensuring smooth event flow
